# OUR ROADMAP

**2011 -**  
**CCL IMPEX** was  
founded,  
we shifted our  
production into  
Malaysia, Johor Bahru

**2015**  
Our clients base  
expanded  
exponentially,  
We moved to our  
current factory of  
over 40,000+ sqf

**1930s - 2010**  
Started from a  
small market in  
Tampines for over  
29 years of  
Vegetables  
Wholesale /  
Processing  
Expertise

**2013**  
Began our E-ordering  
system, Island-wide  
Delivery in Singapore,  
running our  
production for 24  
hours

**2020**  
Covid-19 changed  
our way of life, we  
wanted to cater to  
everyone, thus we  
started sending  
delivery to homes  
in March 2020

**2020**  
**the village by CCL**  
**IMPEX** was born  
and, we opened our  
first flagship store  
in August 2020

# ONE STOP SOLUTION

What's our solution for our clients

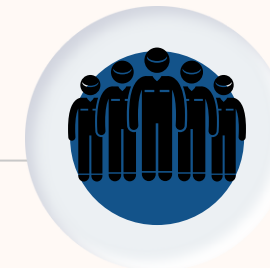

Shorter Shipment  
Time

We want to bring the freshest to our customers, thus we customized the delivery time best suited for them, 24/7 daily.

Low Risk =  
Competitive Pricing

We keep up with the market and keep the prices competitive

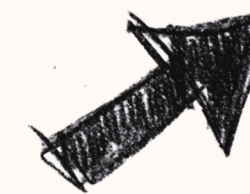

Lower Manpower  
Costs

Our processing plant replaced some of the manual work

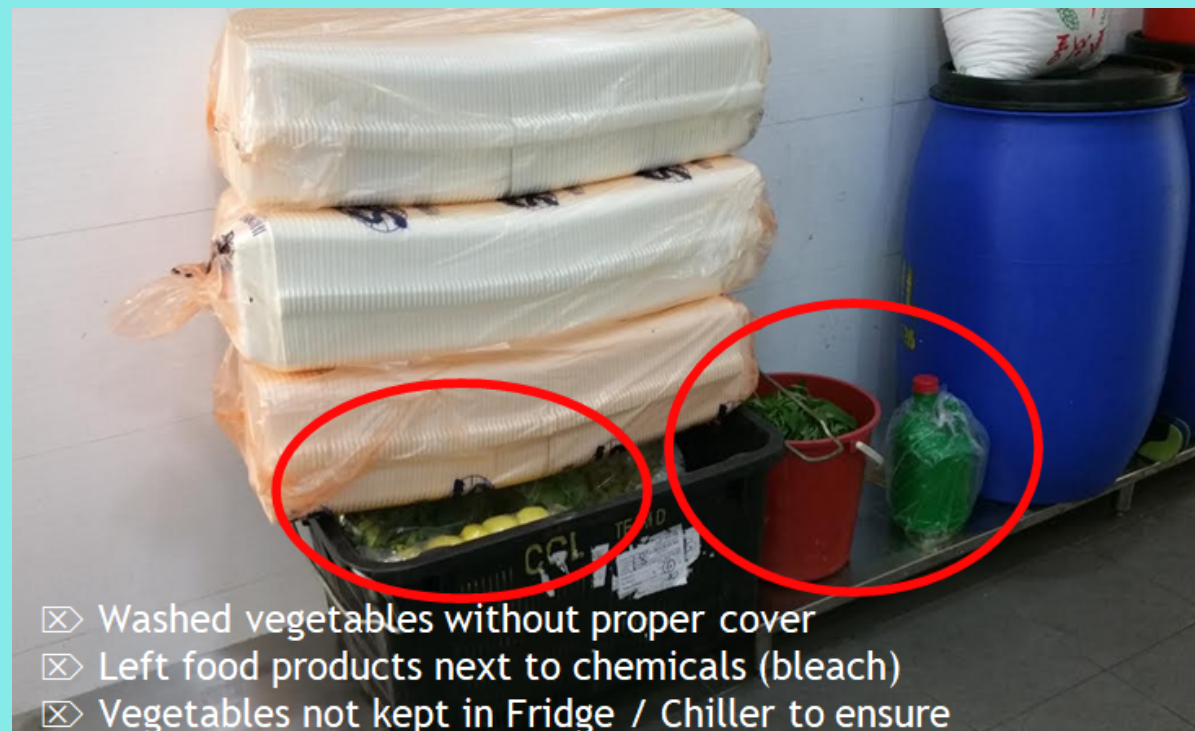

Lower Production  
Costs

Regularly checks on  
the accounts

# Food Safety & Hygiene Issue

## Common practise in the market

How are we different?

We keep our vegetables in boxes to prevent cross contamination

Raw materials samples are being tested before being processed

Pesticides Residues Detector Set

# PRODUCT QUALITY MANAGEMENT
